Shooters' information

The 80 round rimfire rifle competition will be shot in one go, not in two 40 round events, due to the almost 100% utilization rate of the Heinola 100m range.

Pistol events with a **U** at the end are unlimited times, the shooter may use other pistol times in the order they wish, taking into account the rules of the event.

The time in the start list is the time for sighter shots.

On July 7th at 12:00, independent practice is possible.

The reason is that the large number of events meant that we had to start the competition on the 100m range half a day earlier, in order to finish the competition by July 18th.

It is almost impossible to change the shooting times, due to the high utilization rate.
